

# Workshop plant frame

When the plant  
becomes art

## What is it ?

Get out of the box with a plant frame for your living room or office.

You don't have to be a great gardener to make a plant frame. Discover the best way to **create a plant frame** that will decorate your wall for months to come with our tips.

Imagination is the key to this Plant Frame Workshop. Let your creativity run wild and create a 20 cm picture with stabilised plants while having a great time with your teams.
