

Escape Game

Escape game
indoor

What is it ?

With the **Escape Game**, experience a timed game in which you have to solve riddles and quizzes in order to deactivate a computer virus by opening a mystery box.

The game is adaptable to any location, allowing you to have a large number of people playing at the same time.

To succeed, you will need to cooperate with your colleagues and make strategic decisions together. Communication is the key to solving your common goal: open the box in 66 minutes !

20 to 150
participants

66
minutes
