

Go Green Challenge

Team Building
CSR

What is it ?

The Go Green Challenge consists of 2 events:
A fun, eco-friendly escape game. Enigmas to be solved around the theme of eco-responsibility, directly inspired by the objectives proposed by the IPCC.

Then an interactive walking rally that reconnects you with nature and encourages learning about eco-gestures in an original and entertaining way!

The aim is to raise participants' awareness of environmental issues and open their minds to tomorrow's climate challenges.

Organisation

Course of the activity :

Game briefing (15 min approx.) - Go Green Challenge : Riddle solving (1h) - Photo challenges (1h to 2h) - Game debriefing (min approx.)
