

# TEAM-BUILDING, COHESION & ENTERTAINMENT :

Gather your teams around  
of a surprising, entertaining  
and fun activity !

**Magic & mentalism**

# MAGIC & MENTALISM

Bring a touch of magic to your seminars and corporate events !

In groups

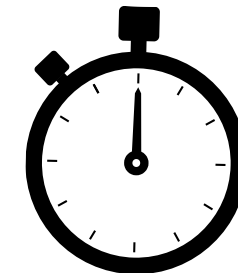

Up to 500  
participants

Goal

Learn and discover  
magic tricks and  
mentalism from a  
distance in a fun  
atmosphere !

Time

About 45min

# Your employees create shared memories together !

A great way to develop synergy within your remote teams, to create a sense of belonging and strengthened team spirit !

- A collaborative and dynamic activity in a light atmosphere
- Strengthen team cohesion, encourage communication and share a fun moment !
- Employees learn to develop their team spirit and enjoy a magical moment at a distance !

# The activity in 2 steps

## Establishment

- Customization or not with the company colors
- Adaptation of certain tours according to the universe of your company
- Sending the video conference link to clients for distribution to teams
- Connection test 30 minutes before the start of the remote show

## The activity

- Participate in the show with your remote collaborators
- The artist performs a demonstration of several magic and mentalism tricks
- Participants are invited to participate in these different tours with the help of our magician

# OUR CLIENTS

“The TEAM BUILDING activity is super nice, hyper accessible and very intuitive. The participants were shy at the start but climbed crescendo throughout the duration of the game... to the point of no longer wanting to stop at the end. Goal achieved for cooperation between employees! A super well-done activity for group dynamics events in the company. I highly recommend it.”
