MAGIC & MENTALISM

Bring a touch of magic to your seminars and corporate events !

In groups

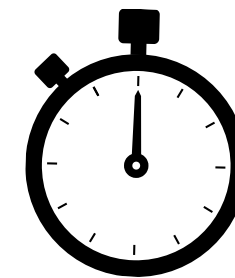

Up to 500
participants

Goal

Learn and discover
magic and
mentalism tricks in
a fun atmosphere !

Time

1h to 2h30 of
activity

Your employees create shared memories together !

A great way to develop synergy within your teams, create a sense of belonging and strengthen team spirit!

- For your seminars, company parties or any other event, immerse all your staff in a colorful world of wonder, surprise and conviviality.
- A collaborative, dynamic activity in a light-hearted atmosphere
- Strengthen team cohesion, encourage communication and share a fun-filled moment !
- Employees learn to develop their team spirit and enjoy a magical moment in person !

L'activité en 3 étapes

Accueil & Briefing

- The artist welcomes you at the location of your choice
- Presentation of the activity
- Launching the session

The activity

Several formulas are available for a tailor-made experience :

- Magic & mentalism show: experience a breathtaking interactive show hosted by our professional magicians and mentalists. A show combining humor, strong emotions, surprises and personalized tricks, with the active participation of your employees.
- Introduction to magic and mentalism workshops: participants are invited to teach themselves how to perform magic tricks !
- Digital magic (iPad and tablets): discover the world of digital magic, where illusionism and new technologies become one! Using iPads and touch-screen tablets, our magicians bring modern, interactive tricks to life, with objects, logos and personalized messages from your company appearing on the screens.

Debriefing

- Feedback on the various magic and mentalism tricks learned during the activity and/or the show
- Option to subscribe to our prize-giving ceremony with gifts (for initiation to magic)

OPTIONAL : GIFTS FOR YOUR TEAMS

COMPLETELY CUSTOMIZABLE!

Toblerone

360g, 100g ou 50g

Chocolates

Wood trophy

to customize !

Yaka Event

OUR CLIENTS

“ The TEAM BUILDING activity is super nice, hyper accessible and very intuitive. The participants were shy at the start but climbed crescendo throughout the duration of the game... to the point of no longer wanting to stop at the end. Goal achieved for cooperation between employees! A super well-done activity for group dynamics events in the company. I highly recommend it. ”
