Serious Game CSR

A digitalized and gamified CSR training gamified

What is it ?

The **Serious Game CSR** activity allows you to combine team building and environmental issues. This dynamic, innovative and turnkey workshop will help raise your teams' awareness of environmental issues.

Everyone will be able to measure their environmental impact, calculate their carbon footprint and test their knowledge of the Ecological Transition.

The Serious Game CSR mixes quizzes and challenges: individual and collective activities will make the team win. In the end, it is collectively that employees and their company act to reduce their impact.
