

# Eco Escape Game

Immersive survey

## What is it ?

This dynamic, innovative and turnkey **Eco Escape Game** will enable your teams to raise awareness of environmental issues.

It is an exciting team game in which participants will share a convivial moment indoors or outdoors.

The scenario is as follows: a major ecological crisis has broken out in your company. The employees will have to investigate in teams to find the origin of this crisis thanks to enigmas, quizzes and rebus to solve.

## Organisation

### Course of the activity :

Briefing (10 min) - Eco Escape Game (80 min approx)

### Prize-giving :

If you want to give a gift to your teams, anything is possible! Our ideas : a photo album or a multi-brand gift card, ethical, ecological and solidarity-based...

### Option & Customization :

- Teams will be able to pick up an optional «Zero Waste» guide to eco-actions
